

UNIVERSIDADE FEDERAL DO RIO DE JANEIRO

Programa de Pós-Graduação  
em Ciências Biológicas

**Biofísica**  
IBCCF | UFRJ

### **VISITING PROFESSOR FELLOWSHIP IN BRAZIL:**

The program provides the opportunity for 1 professor from foreign institutions with relevant academic-scientific experience to visit our Institution for a period of 30 days in the months of July, August and September 2020. The CV evaluation will take place between March 4 and 5, 2020 and may or may not happen in a single day, depending on the number of candidates. The results will be released on March 6, 2020.

The following documents are required for registration:

- A. Document certifying residency and link with a teaching/ research institution abroad;
- B. Document proving the partnership, for example, letter of invitation from the destination institution, dated and signed, on letterhead, informing month and year of beginning and end of stay, preferably with a protocol of intention or specific agreement with the institution that will send the researcher, etc;
- c. Curriculum Vitae of the applicant;
- d. Updated ORCID record of the applicant;
- e. Work plan to be developed during the stay in Brazil, containing the following items:
  - Activities to be developed (courses, training, lectures or seminars);
  - Justification presenting the timeliness and relevance of the theme of the activities, its adherence to the Institutional Project for Internationalization at UFRJ and, if applicable, also to the project in international cooperation;
  - Definition and clear delimitation of the study object (s) to be approached in the activities;
  - Goals and objectives;
  - Schedule of activities.
